

Certificate of Appreciation

Ashok Agarwal, Ph.D., HCLD

Director, Andrology - Oncology Research and Clinical Laboratories Cleveland Foundation, USA

We hereby tender our sincere acknowledgment to you for your excellent lecture you have given us on "Understanding the Role of Oxidative Stress in Human Reproduction" at the free radical symposium held at Moonhwa Hospital, Busan, Korea on May 31, 2000.

We believe that your academic contribution will add the further development of medical science in Korea.

with deepest gratitude,

Hwa Sook Moon.
