**Paid Time Off (PTO) Donation**

Ways you can support caregivers.

**PTO Donation to a Caregiver**

Contributions you make to this fund go directly to a specific caregiver experiencing a medical emergency and provide PTO hours for recovery from surgery or to be away from work to care for a family member who is ill.

**PTO Donation to a General Fund — there are two ways to help**

Contributions to the Caregiver Hardship Fund are distributed as grants and help any eligible applicants with unexpected financial hardships such as food insecurity, eviction, utility shutoffs, funeral expenses, etc.

Contributions to the COVID-19 Emergency Fund provide aid to front-line caregivers, including meal delivery service for those who are home due to illness, take-home meals for caregivers during their shifts and self-care resources, as needed.
